

31-FOOT GLASS BOTTOM BOAT

Explore Cozumel's top snorkeling spots aboard a glass-bottom panga boat. See marine life below while cruising between Palancar Reef, Columbia Reef, and El Cielo.

31-FOOT GLASS BOTTOM BOAT

Experience a snorkeling adventure in Cozumel aboard a customized glass-bottom panga-style boat for up to 20 people. Explore Palancar Reef, Columbia Reef, and El Cielo, known for their clear Caribbean waters, vibrant marine life, and beautiful underwater scenery. Enjoy the freedom to swim and snorkel at your own pace while traveling in a boat with a glass bottom, open layout, shaded canopy, and bench seating. The glass-bottom design also lets you observe the underwater world while cruising between snorkeling spots, where you may spot sea turtles, eagle rays, and colorful tropical fish.
